

Press Release

Monday August 13, 2012

Committee for Portland appoints Community Members to board.

The Committee for Portland has recently appointed Unitedway, Baclinks and the Combined Rotary Clubs as Community Members for 2012/2013.

Committee for Portland Executive Officer, Anita Rank said “Community members have the opportunity to shape the Portland of the future by joining forces with other corporate leaders who have corporate social responsibility agendas and have a tangible stake in making a positive contribution to shaping Portland.”

Ms Rank explained that Community Memberships were initially developed to broaden the Committee for Portland’s membership base and gain community representation. Community Members are expected to;

- Provide representation to Committee for Portland Member functions and AGM
- Contribute to surveys and studies that will assist them in achieving their goals including input into the strategic plan when required,
- Provide linkage to your organisation (this maybe in the form of presentations, events or AGM attendances)
- Suggest ways that the Committee maybe able to work together and
- Communicate to the Committee the positive and negative impacts that occur within the community and ways that they may be able to assist.

The Committee for Portland’s prime focus is to network, advocate and deliver projects, to create a better future for the entire city area.

Ms Rank said “The Committee for Portland is working towards developing a vibrant and economically sustainable community on the Great South Coast of Victoria. We recognise that there are many resources available for the development of the city of Portland within the community, and we seek to access, engage, combine and focus these resources with one common purpose through encouraging community members to join the Committee for Portland.”
