November 20, 2014  
Richmond Henty Blue Room  
7.30am start

A vibrant, colorful illustration of a cityscape. The buildings are stylized with various colors and patterns, including stripes and solid colors. There are people walking on the streets, and various geometric shapes like circles, triangles, and squares are scattered throughout the scene. The overall style is playful and modern.

# FREE community breakfast

## Guest Speaker

Sue Stanley is a world aerobic champion. She has three World Championship Titles, numerous International Titles and eight Australian and National Championships.
